INFORMATION

**SEPTEMBER 7 – 8, 2024**

**ALL DAY EXPLORATION**

**DAZZLING DEMONSTRATIONS**

**DANIEL CRACCHIOLO THEATER, LEVEL 1**

Join Arizona Science Center for live, daily demonstrations that inspire, educate and engage curious minds! Each 15-minute show is available every hour starting at 10:30 a.m. Seating is on a first-come, first-serve basis.

**TO THE MOON: LET'S MAKE A ROCKET**

**DEBELL WATER ATRIUM, LEVEL 1**

Get ready for launch! Design, build and test your own rockets.

**TEEN LOUNGE**

**GENIUS THEATER, LEVEL 1**

Teen activities for teens only. Drop in for hands-on activities, meet new friends, and take a break from the crowds.

**CURIOSITY CARTS**

**DEBELL WATER ATRIUM, LEVEL 1**

Explore science up close with our roaming Curiosity Carts! Discover hands-on mini-experiments and fascinating demos on the go—perfect for sparking curiosity in all ages.

**ADD-ON TICKETED EXPERIENCES | \$5 EACH**

**IRENE P. FLINN GIANT SCREEN THEATER | LEVEL 1**

**SPACE: THE NEW FRONTIER**

10:00 A.M. 12:00 P.M. 2:00 P.M.

Discover the next step for humankind and spaceflight with *Space: The New Frontier*! From self-assembling habitats, and commercial space stations, and launching rockets without fuel to building the Lunar Gateway to deep space, history is in the making as we speak.

**CITIES OF THE FUTURE**

11:00 A.M. 1:00 P.M. 3:00 P.M.

Imagine stepping 50 years into the future and finding smart cities designed to be totally sustainable. This is not science fiction. Engineers are making plans for a sustainable world right now, and it is coming to the giant screen!

**CREATE MAKERSPACE POP-UP ACTIVITIES**

**BODY DEPOT, LEVEL 1**

Drop in to enjoy a hands-on maker experience and leave with a personalized Arizona Science Center Pop Out.

**EVANS FAMILY SKYCYCLE**

**LEVEL 2**

Suspended nearly 15 feet in the air, the Evans Family SkyCycle teaches riders about the principles of counterbalance and center of gravity, while taking a ride on the 90-foot cable.

*Must be age 7+ with a recommended height of 5'4" and above. Maximum weight of 225 lbs.*

**FINAL DAYS OF OCEANXPERIENCE**

**SYBIL B. HARRINGTON GALLERY, LEVEL 3**

Climb aboard an interactive replica of OceanXplorer, the most advanced research and filmmaking vessel in the world! An exhibition designed for all ages, OceanXperience gives visitors access to OceanX's renowned OceanXplorer vessel and the cutting-edge science, technology, and media the ship uses to explore the ocean and bring it back to the world.
